

I am deeply
concerned about
Sinclair
Broadcasting's
decision to mandate
that their stations
air an anti-Kerry
documentary this
close to the
elections.

Sinclair is
obligated by law, I
understand, to serve
the public interest.
I cannot imagine
how this action does
that. It also
violates any
semblance of
fairness.

I hope, and urge,
that you will take
immediate action to
stop this abuse of
Sinclair's
broadcasting
privilege. I also
trust that you will
weigh this, and
their unpatriotic
refusal to air the
reading of the
names of American
war dead earlier
this year, in their
next evaluation for
re-licensure.

Thank you.

Frank Kirk
